

THE TECH GARDEN

WHAT'S INCLUDED IN THE PRICE?

COOL OFFICE SPACE

For solo entrepreneurs or small teams just starting out, to mid-sized and large private offices and suites.

MEETING SPACE

Four fully equipped conference rooms

RECEPTION

Full-time receptionist who supports companies with visitor reception, facilities coordination and package receipt.

OFFICE EQUIPMENT & MAILBOX

We provide the standard office services entrepreneurs need to run their businesses but usually can't afford on their own. Notably, we offer access to a high-speed, high-volume, networked color laser copier/fax/scanner/printer. All residents receive a physical mail drop box with weekday USPS pick-up and delivery.

CONNECTIVITY

Residents at The Tech Garden enjoy gigabit LAN speeds via customized network services provided by our onsite IT service provider. Dependable Wi-Fi access is available throughout our campus to ensure that teams and their guests stay connected.

EVENTS & NETWORKING

Events and networking opportunities every month with other members!
